

Whether they need to **collect, organize, prepare, store, process or dispose** – research, industrial and healthcare professionals rely on

Bel-Art for their sample-handling needs.

Known as the **'go-to guys'** of the laboratory market, Bel-Art's talented in-house engineering and design teams are continually focused on developing time- and effort-saving products that get the job done.

Over 4,500 items, from safety wash bottles to fume hoods, are manufactured and distributed under our flagship Bel-Art & H-B Instrument® brand names, and used daily in laboratories worldwide.

### Core Categories:

- Racks – Poxygrid®
- Thermometers & Hydrometers – H-B Instrument®
- Desiccators – Secador®
- Sampling Scoops, Spoons & Spatulas – Sterileware®
- Ice Buckets & Pans – Magic Touch®
- Bottles – Scienceware®
- Magnetic Stirring Bars – Spinbar®
