

Maximize your budget, minimize hassle

ClipTip pipettes— the smart choice

Discover the exceptional accuracy of Thermo Scientific™ ClipTip™ pipette technology and say goodbye to inconsistent results and wasted samples.

Ergonomic design for every hand

Engineered with comfort in mind, ClipTip pipettes reduce the risk of repetitive strain injuries. Experience effortless pipetting with a design that fits your hand comfortably, allowing for longer, more productive lab sessions.

Manual and electronic options

Whether you prefer the tactile feedback of manual pipetting or the ease and precision of electronic, ClipTip pipettes have you covered. Both options offer the same reliable seal and exceptional performance.

Reduce your lab's operating costs with ClipTip pipettes. Our system helps minimize tip loss and ensure precise results, saving you time and resources.

Scan this QR code to discover how ClipTip technology can transform your pipetting experience and save cost.
