ISO 17025 ACCREDITED SERVICE

As an accredited ISO 17025 calibration company, Gilson can offer additional reporting on your calibration certificates for maximum traceability, perfect for GLP/GMP compliant labs. We can provide ISO 17025 compliant service both in our dedicated Service Centers as well as on-site in your lab. You can be sure your pipettes maintain their original accuracy, precision, and performance capabilities. ISO 17025 accredited calibration is available on all offers which include the collection of As Found Data.

* Preventative maintenance includes the replacement of wearable parts such as the seal and/or o-ring based on manufacturer guidelines.

** See Terms and Conditions on gilson.com for Lifetime Warranty details.

*** Free repairs with enrollement in the Lifetime Warranty, see Terms and Conditions on gilson.com.

Lite
