

## Quality Products for Regulated Testing

# LabChem Reagents

Whether you're testing juice, milk, soda, or wine, LabChem has the right reagents for your assays. They offer more than **2,000 products**, all at an excellent value.

### Wet Chemistry Methods (Acidity, pH, Free, and Total Sulfur)

Keep your products clean, stable, and quality controlled with consistently dependable LabChem reagents. Whether you're testing raw material, in process, or finished goods, you'll find reagents for the methods that you rely on.

Description	Cat. No.	Quantity
<b>pH Standard Solutions</b>		
Certified Color-Coded Buffer Solution, pH 7.0 at 25°C, Yellow	LC12380	500mL, 1L, 4L, 10L, 20L, 20 x 20mL
Certified Color-Coded Buffer Solution, pH 4.0 at 25°C, Red	LC12280	500mL, 1L, 4L, 10L, 20L, 20 x 20mL
Certified Buffer Solution, pH 3.0 at 25°C	LC12250	500mL, 1L, 4L, 10L
Certified Buffer Solution, pH 10.0 at 25°C	LC12500	500mL, L, 4L, 10L, 20L
<b>Sulfur Testing Solutions</b>		
Certified Iodine Solution, 0.0100N ±0.0001N (0.005M)	LC15600	500mL, 1L, 4L
Certified Sodium Hydroxide Solution, 0.0100N ±0.0001N (0.01M)	LC24200	500mL, 1L, 4L
Certified Sulfuric Acid Solution, 25.0% (v/v) ±0.5%	LC25610	1L, 2.5L
Certified Acetic Acid Solution, 1.000N ±0.005N (1.0M)	LC10380	500mL, 1L, 4L, 20L

## Staple Compendial Titrants

Get quality, accuracy, consistency, and dependability with LabChem titrants.

- Verifiable
- Lot-specific and NIST-traceable
- Certificates of Analysis available

Description	Cat. No.	Quantity
Certified EDTA Solution, 0.0575M $\pm$ 0.0005M (0.115N)	LC13880	1L, 4L, 10L, 20L
Certified Silver Nitrate Solution, for Chloride, (1mL = 0.5mg Cl-), 0.0141N $\pm$ 0.0002N (0.0141M)	LC22600	500mL, 1L, 4L, 10L, 20L
Certified Sodium Hydroxide Solution, 0.1000N $\pm$ 0.0005N (0.1M)	LC24270	500mL, 1L, 4L, 10L, 20L
Certified Sodium Thiosulfate Solution, 0.1000N $\pm$ 0.0005N (0.1M)	LC25060	500mL, 1L, 4L, 10L, 20L
Certified Sulfuric Acid Solution, 0.0200N $\pm$ 0.0002N (0.01M)	LC25660	500mL, 1L, 4L, 10L, 20L

### Save on Indicator Solution

#### Get an Indicator Solution with Titrants Purchase

When you buy two qualifying LabChem Titrants in the same order, you'll get the corresponding LabChem Indicator Solution at no additional cost.

Visit [fishersci.com/titrants-indicator-solution](https://fishersci.com/titrants-indicator-solution) to save.

Visit [fishersci.com/labchem](https://fishersci.com/labchem) or [fishersci.ca/labchem](https://fishersci.ca/labchem) to see all LabChem products.

Visit [fishersci.com/testing](https://fishersci.com/testing) or [fishersci.ca/testing](https://fishersci.ca/testing) to see all testing products.

#### In the United States

Order online: [fishersci.com](https://fishersci.com)

Fax an order: 1-800-926-1166

Call customer service: 1-800-766-7000

#### In Canada

Order online: [fishersci.ca](https://fishersci.ca)

Fax an order: 1-800-463-2996

Call customer service: 1-800-234-7437
