Protecting What Matters Most

Logo/Customization

Apparel

Build brand awareness by adding your logo or your customer's logo to Pyramex work wear garments.

About

The Pyramex in-house print department can pad print, screen print, or heat transfer your logo on Pyramex work wear, as well as eyewear, earmuffs, and hard hats. To start the process, simply select your desired work wear item and send us your vectored artwork. If vectored artwork is not available, please send the files you have.

Each product category has minimum quantity requirements and standard lead times based on the timing of artwork approval. Each product category is also limited to a certain number of colors and logo locations. Contact your sales representative for more information.

Key Benefits

Rely on Pyramex to manage your specialized printing needs for a variety of work wear, including jackets, t-shirts, and safety vests.

- Build your brand
- Promote safety awareness
- Develop employee pride
- Help identify employees
- Grow loyalty and sales
