### Hard Hats and Bump Caps

Build brand awareness by adding your logo or your customer's logo to Pyramex hard hats and bump caps.

#### About

The Pyramex in-house print department can pad print, screen print, or heat transfer your logo on Pyramex hard hats, as well as on work wear, eyewear, and earmuffs. To start the process, simply select your desired hard hat or bump cap and send us your vectored artwork. If vectored artwork is not available, please send the files you have.

Each product category has minimum quantity requirements and standard lead times based on the timing of artwork approval. Each product category is also limited to a certain number of colors and logo locations. Contact your sales representative for more information.

#### Key Benefits

Rely on Pyramex to manage your specialized printing needs for a variety of hard hats and bump caps.
