

# SAFETY DATA SHEET

Creation Date 12-May-2011

Revision Date 28-Mar-2024

**Revision Number** 3

1. Identification

**Product Name** 

# L-Isoleucine, Cell Culture Reagent

Cat No. :J63045CAS No73-32-5Synonyms(2S,3S)-2-Amino-3-methylpentanoic acid; IleRecommended UseLaboratory chemicals.Uses advised againstFood, drug, pesticide or biocidal product use.

#### Details of the supplier of the safety data sheet

<u>Company</u>

Thermo Fisher Scientific Chemicals, Inc. 30 Bond Street Ward Hill, MA 01835-8099 Tel: 800-343-0660 Fax: 800-322-4757

#### **Emergency Telephone Number**

For information **US** call: 001-800-227-6701 / **Europe** call: +32 14 57 52 11 Emergency Number **US**:001-201-796-7100 / **Europe:** +32 14 57 52 99 **CHEMTREC** Tel. No. **US**:001-800-424-9300 / **Europe:** 001-703-527-3887

### 2. Hazard(s) identification

#### **Classification**

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Label Elements None required

Hazards not otherwise classified (HNOC) None identified

3. Composition/Information on Ingredients

| Component                           | CA   | \S No                | Weight %                                  |  |  |
|-------------------------------------|--|----------------------|---|--|--|
| L-Isoleucine                        | 73   | -32-5                | 99  |  |  |
|                                     | 4. First-aid me  | easures              |   |  |  |
| Eye Contact                         | Rinse immediately with plenty of medical attention.  | of water, also under | the eyelids, for at least 15 minutes. Get |  |  |
| Skin Contact                        | Wash off immediately with plenty of water for at least 15 minutes. Get medical attention.  |                      |   |  |  |
| Inhalation                          | Remove to fresh air. Get medical attention. If not breathing, give artificial respiration. |                      |   |  |  |
| Ingestion                           | Do NOT induce vomiting. Get medical attention.   |                      |   |  |  |
| Most important symptoms and effects | No information available.  |                      |   |  |  |
| Notes to Physician                  | Treat symptomatically  |                      |   |  |  |

5. Fire-fighting measures

| Suitable Extinguishing Media                 | Water spray. Carbon dioxide (CO 2). Dry chemical. Chemical foam. |
|--|--|
| Unsuitable Extinguishing Media               | No information available   |
| Flash Point<br>Method -                      | No information available<br>No information available             |
| Autoignition Temperature<br>Explosion Limits | Not applicable   |
| Upper  | No data available  |
| Lower  | No data available  |
| Sensitivity to Mechanical Impac              | t No information available                                       |
| Sensitivity to Static Discharge              | No information available   |

#### **Specific Hazards Arising from the Chemical**

Keep product and empty container away from heat and sources of ignition.

### **Hazardous Combustion Products**

Nitrogen oxides (NOx). Carbon monoxide (CO). Carbon dioxide (CO<sub>2</sub>). **Protective Equipment and Precautions for Firefighters** 

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

| <u>NFPA</u><br>Health<br>1   | Flammability<br>1   | Instability<br>1                                  | Physical hazards<br>N/A         |  |  |  |
|--|---|---|---------------------------------|--|--|--|
|  | 6. Accidental rel   | ease measures                                     |                                 |  |  |  |
| Personal Precautions<br>Environmental Precautions  | Ensure adequate ventilatio<br>Should not be released into | n. Use personal protective eq<br>the environment. | uipment as required.            |  |  |  |
| Methods for Containment and Clean Sweep up and shovel into suitable containers for disposal. Do not let this chemical enter the environment. Avoid dust formation. |   |   |                                 |  |  |  |
| Handling   | 7. Handling a<br>Avoid contact with skin and              | V   | o not ingest. If swallowed then |  |  |  |

|                               | seek immediate medical assistance. Wash hands before breaks and immediately after handling the product. Avoid dust formation.   |
|-------------------------------|---|
| Storage.                      | Keep in a dry, cool and well-ventilated place. Keep container tightly closed. Incompatible Materials. Strong oxidizing agents.  |
| 8. E:                         | xposure controls / personal protection  |
| Exposure Guidelines           | This product does not contain any hazardous materials with occupational exposure limitsestablished by the region specific regulatory bodies.                                |
|                               |   |
| Engineering Measures          | None under normal use conditions.   |
| Personal Protective Equipment |   |
| Eye/face Protection           | Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166. |
| Skin and body protection      | Wear appropriate protective gloves and clothing to prevent skin exposure.   |
| <b>Respiratory Protection</b> | No protective equipment is needed under normal use conditions.  |
| Recommended Filter type:      | Particle filter.  |
| Hygiene Measures              | Handle in accordance with good industrial hygiene and safety practice.  |

| 9. Physical and chemical properties    |                                 |  |  |  |  |
|--|---------------------------------|--|--|--|--|

|                        | 13. Disposal considerations   |
|------------------------|---|
| Waste Disposal Methods | Chemical waste generators must determine whether a discarded chemical is classified as a hazardous waste. Chemical waste generators must also consult local, regional, and national hazardous waste regulations to ensure complete and accurate classification. |
|                        | 14. Transport information   |
| DOT                    | Not regulated   |
| DOT                    | Not regulated   |
| IATA                   | Not regulated   |
| IMDG/IMO               | Not regulated   |

#### United States of America Inventory

| Component    | CAS No  | TSCA | TSCA Inventory notification -<br>Active-Inactive | TSCA - EPA Regulatory<br>Flags |
|--------------|---------|------|--|--------------------------------|
