

# SAFETY DATA SHEET

Creation Date 29-Sep-2009

Revision Date 24-Dec-2021

**Revision Number** 7

1. Identification

## **Product Name**

## Antimony, powder

Cat No. :

## AC192450000; AC192450100

CAS No Synonyms

7440-36-0 Antimony Black; Antimony Regulus

Recommended Use Uses advised against

Laboratory chemicals. Food, drug, pesticide or biocidal product use.

## Details of the supplier of the safety data sheet

<u>Company</u>

Fisher Scientific Company One Reagent Lane Fair Lawn, NJ 07410 Tel: (201) 796-7100 Acros Organics One Reagent Lane Fair Lawn, NJ 07410

**Emergency Telephone Number** 

For information **US** call: 001-800-ACROS-01 / **Europe** call: +32 14 57 52 11 Emergency Number **US**:001-201-796-7100 / **Europe**: +32 14 57 52 99 **CHEMTREC** Tel. No.**US**:001-800-424-9300 / **Europe**:001-703-527-3887

## 2. Hazard(s) identification

## **Classification**

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Carcinogenicity Specific target organ toxicity - (repeated exposure) Target Organs - Liver, Kidney, Cardiovascular system. Category 2 Category 2

### Label Elements

Signal Word Warning

## Hazard Statements

Suspected of causing cancer May cause damage to organs through prolonged or repeated exposure

#### Precautionary Statements Prevention

Obtain special instructions before use Do not handle until all safety precautions have been read and understood Use personal protective equipment as required Do not breathe dust/fume/gas/mist/vapors/spray **Response** IF exposed or concerned: Get medical attention/advice **Storage** Store locked up **Disposal** Dispose of contents/container to an approved waste disposal plant **Hazards not otherwise classified (HNOC)** None identified

## 3. Composition/Information on Ingredients

| Component        | CAS No    | Weight % |
|------------------|-----------|----------|
| Antimony, powder | 7440-36-0 | >95      |

|                               | 4. First-aid measures   |
|-------------------------------|---|
| General Advice                | If symptoms persist, call a physician.  |
| Eye Contact                   | Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Get medical attention.   |
| Skin Contact                  | Wash off immediately with plenty of water for at least 15 minutes. If skin irritation persists, call a physician. |
| Inhalation                    | Remove to fresh air. If not breathing, give artificial respiration. Get medical attention if symptoms occur.      |
| Ingestion                     | Clean mouth with water and drink afterwards plenty of water. Get medical attention if symptoms occur.             |
| Most important symptoms and   | None reasonably foreseeable.  |
| effects<br>Notes to Physician | Treat symptomatically   |

5. Fire-fighting measures

| Suitable Extinguishing Media   | Dry chemical.  |  |
|--------------------------------|--|--|
| Unsuitable Extinguishing Media | No information available                             |  |
| Flash Point<br>Method -        | No information available<br>No information available |  |

| Autoignition Temperature         | 330 °C / 626 °F          |
|----------------------------------|--------------------------|
| Explosion Limits                 |                          |
| Upper                            | No data available        |
| Lower                            | No data available        |
| Sensitivity to Mechanical Impact | No information available |
| Sensitivity to Static Discharge  | No information available |

## **Specific Hazards Arising from the Chemical**

Keep product and empty container away from heat and sources of ignition.

### **Hazardous Combustion Products**

Antimony oxide.

#### **Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

|                  |                            | TWA: 0.5 mg/m <sup>3</sup>           | TWA: 0.5 mg/m <sup>3</sup> | _                          |

Legend

ACGIH - American Conference of Governmental Industrial Hygienists OSHA - Occupational Safety and Health Administration NIOSH IDLH: NIOSH - National Institute for Occupational Safety and Health

**Engineering Measures** 

Use only under a chemical fume hood. Ensure that eyewash stations and safety showers are close to the workstation location.

### Personal Protective Equipment

## **Eye/face Protection**

Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard

|                          | EN166.  |  |
|--------------------------|---|--|
| Skin and body protection | Wear appropriate protective gloves and clothing to prevent skin exposure.   |  |
| Respiratory Protection   | Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a NIOSH/MSHA or European Standard EN 149 approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced. |  |
| Hygiene Measures         | Handle in accordance with good industrial hygiene and safety practice.  |  |

9. Physical and chemical properties

| Physical State                      | Solid                        |
|-------------------------------------|------------------------------|
| Appearance                          | Grey                         |
| Odor                                | No information available     |
| Odor Threshold                      | No information available     |
| рН                                  | No information available     |
| Melting Point/Range                 | 630 °C / 1166 °F             |
| Boiling Point/Range                 | 1635 °C / 2975 °F @ 760 mmHg |
| Flash Point                         | No information available     |
| Evaporation Rate                    | Not applicable               |
| Flammability (solid,gas)            | No information available     |
| Flammability or explosive limits    |                              |
| Upper                               | No data available            |
| Lower                               | No data available            |
| Vapor Pressure                      | 1 mmHg @ 886 °C              |
| Vapor Density                       | Not applicable               |
| Specific Gravity                    | No information available     |
| Solubility                          | Insoluble in water           |
| Partition coefficient; n-octanol/wa | ter No data available        |
| Autoignition Temperature            | 330 °C / 626 °F              |
| Decomposition Temperature           | No information available     |
| Viscosity                           | Not applicable               |
| Molecular Formula                   | Sb                           |
| Molecular Weight                    | 121.75                       |
|                                     |                              |

## 10. Stability and reactivity

| Reactive Hazard                                 | None known, based on information available                                 |  |
|---|--|--|
| Stability                                       | Stable under normal conditions. Air sensitive.                             |  |
| Conditions to Avoid                             | Incompatible products. Excess heat. Avoid dust formation. Exposure to air. |  |
| Incompatible Materials                          | Strong oxidizing agents  |  |
| Hazardous Decomposition Products Antimony oxide |  |  |
| Hazardous Polymerization                        | Hazardous polymerization does not occur.                                   |  |
| Hazardous Reactions                             | None under normal processing.  |  |

# 11. Toxicological information

## Acute Toxicity

No acute toxicity information is available for this product

#### Product Information Component Information

| Component        | LD50 Oral           | LD50 Dermal | LC50 Inhalation |
|------------------|---------------------|-------------|-----------------|
| Antimony, powder | LD50 = 7 g/kg (Rat) | Not listed  | Not listed      |

| Toxicologically Synergistic No information available   Products Delayed and immediate effects as well as chronic effects from short and long-term exposure |                          |
|--|--------------------------|
| Irritation   | No information available |
| Sensitization  | No information available |

Carcinogenicity

Limited evidence of a carcinogenic effect. The table below indicates whether each agency has listed any ingredient as a carcinogen.

| Component                                  | CAS No                                  | IARC   | NTP                | ACGIH              | OSHA       | Mexico     |  |  |
