

# SAFETY DATA SHEET

Creation Date 13-May-2015

Revision Date 28-Dec-2021

**Revision Number** 4

### 1. Identification

### **Product Name**

#### Cefadroxil

#### Cat No. :

AC459470000; AC459470010; AC459470050

CAS No Synonyms 66592-87-8 No information available

Recommended Use Uses advised against

Laboratory chemicals. Food, drug, pesticide or biocidal product use.

#### Details of the supplier of the safety data sheet

<u>Company</u>

Fisher Scientific Company One Reagent Lane Fair Lawn, NJ 07410 Tel: (201) 796-7100 Acros Organics One Reagent Lane Fair Lawn, NJ 07410

**Emergency Telephone Number** 

For information **US** call: 001-800-ACROS-01 / **Europe** call: +32 14 57 52 11 Emergency Number **US:**001-201-796-7100 / **Europe:** +32 14 57 52 99 **CHEMTREC** Tel. No.**US:**001-800-424-9300 / **Europe:**001-703-527-3887

### 2. Hazard(s) identification

#### **Classification**

This chemical is considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

| xposure) |
|----------|
|          |
|          |

Category 2 Category 2 Category 1 Category 1 Category 3

#### Label Elements

Signal Word Danger

Hazard Statements

Causes skin irritation Causes serious eye irritation May cause an allergic skin reaction May cause allergy or asthma symptoms or breathing difficulties if inhaled May cause respiratory irritation

## Precautionary Statements

### Prevention

Wash face, hands and any exposed skin thoroughly after handling Wear protective gloves/protective clothing/eye protection/face protection Avoid breathing dust/fume/gas/mist/vapors/spray In case of inadequate ventilation wear respiratory protection Contaminated work clothing should not be allowed out of the workplace Use only outdoors or in a well-ventilated area

#### Inhalation

If experiencing respiratory symptoms: Call a POISON CENTER or doctor/physician

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing

#### Skin

IF ON SKIN: Wash with plenty of soap and water

Take off contaminated clothing and wash before reuse

If skin irritation or rash occurs: Get medical advice/attention

#### Eyes

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing If eye irritation persists: Get medical advice/attention

#### Storage

Store in a well-ventilated place. Keep container tightly closed

Store locked up

#### Disposal

Dispose of contents/container to an approved waste disposal plant

Hazards not otherwise classified (HNOC)

None identified

### 3. Composition/Information on Ingredients

| Compo   | onent  | CAS No   | Weight %                              |
|---|--|--|---------------------------------------|
| Cefadroxil monohydrate  |  | 66592-87-8   | >95                                   |
|   |  |  |                                       |
|   | 4.   | First-aid measures                                   |                                       |
| General Advice If symptoms persist, call a physician.   |  |  |                                       |
| Eye Contact   | <b>ye Contact</b> Rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes. Ge medical attention. |  |                                       |
| Skin ContactWash off immediately with plenty of water for at least 15 minutes. If skin irritation persists<br>call a physician. |  |  |                                       |
| Inhalation  | Remove to fr<br>symptoms or  | resh air. If not breathing, give artificial<br>ccur. | respiration. Get medical attention if |

| Ingestion                           | Clean mouth with water and drink afterwards plenty of water. Get medical attention if symptoms occur.  |
|-------------------------------------|--|
| Most important symptoms and effects | May cause allergy or asthma symptoms or breathing difficulties if inhaled. May cause allergic skin reaction. Symptoms of allergic reaction may include rash, itching, swelling, trouble breathing, tingling of the hands and feet, dizziness, lightheadedness, chest pain, muscle pain or flushing |
| Notes to Physician                  | Treat symptomatically  |

5. Fire-fighting measures

Suitable Extinguishing Media Water spray, carbon dioxide (CO2), dry chemical, alcohol-resistant foam.

| Unsuitable Extinguishing Media               | No information available                   |
|--|--|
| Flash Point<br>Method -                      | Not applicable<br>No information available |
| Autoignition Temperature<br>Explosion Limits | No information available                   |
| Upper  | No data available                          |
| Lower  | No data available                          |
| Sensitivity to Mechanical Impact             | No information available                   |
| Sensitivity to Static Discharge              | No information available                   |

#### **Specific Hazards Arising from the Chemical**

Keep product and empty container away from heat and sources of ignition.

#### Hazardous Combustion Products

Carbon monoxide (CO). Nitrogen oxides (NOx). Sulfur oxides. Carbon dioxide (CO<sub>2</sub>).

#### **Protective Equipment and Precautions for Firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

| Health<br>2                      | Flammability<br>1  | Instability<br>0                              | Physical hazards<br>N/A   |  |  |  |  |

|                                  | 8. Exposure controls   | / personal protecti                           | on  |  |  |  |  |
| Exposure Guidelines              | This product does not con  | tain any hazardous materials w                | ith occupational exposure   |  |  |  |  |

limitsestablished by the region specific regulatory bodies.

| Engineering Measures          | Ensure that eyewash stations and safety showers are close to the workstation location.  |
|-------------------------------|---|
| Personal Protective Equipment |   |
| Eye/face Protection           | Wear appropriate protective eyeglasses or chemical safety goggles as described by OSHA's eye and face protection regulations in 29 CFR 1910.133 or European Standard EN166.   |
| Skin and body protection      | Wear appropriate protective gloves and clothing to prevent skin exposure.   |
| Respiratory Protection        | Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a NIOSH/MSHA or European Standard EN 149 approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced. |
| Hygiene Measures              | Handle in accordance with good industrial hygiene and safety practice.  |

### 9. Physical and chemical properties

| Physical State                        | Solid                    |
|---------------------------------------|--------------------------|
| Appearance                            | No information available |
| Odor                                  | No information available |
| Odor Threshold                        | No information available |
| рН                                    | Not applicable           |
| Melting Point/Range                   | No data available        |
| Boiling Point/Range                   | Not applicable           |
| Flash Point                           | Not applicable           |
| Evaporation Rate                      | Not applicable           |
| Flammability (solid,gas)              | No information available |
| Flammability or explosive limits      |                          |
| Upper                                 | No data available        |
| Lower                                 | No data available        |
| Vapor Pressure                        | No information available |
| Vapor Density                         | Not applicable           |
| Specific Gravity                      | No information available |
| Solubility                            | No information available |
| Partition coefficient; n-octanol/wate | r No data available      |
| Autoignition Temperature              | No information available |
| Decomposition Temperature             | No information available |
| Viscosity                             | Not applicable           |
| Molecular Formula                     | C16 H17 N3 O5 S          |
| Molecular Weight                      | 363.39                   |
|                                       |                          |

# 10. Stability and reactivity

| Reactive Hazard                 | None known, based on information available   |
|---------------------------------|--|
| Stability                       | Stable under recommended storage conditions.   |
| Conditions to Avoid             | Incompatible products. Excess heat. Avoid dust formation.  |
| Incompatible Materials          | Strong oxidizing agents  |
| Hazardous Decomposition Product | <b>s</b> Carbon monoxide (CO), Nitrogen oxides (NOx), Sulfur oxides, Carbon dioxide (CO <sub>2</sub> ) |
| Hazardous Polymerization        | Hazardous polymerization does not occur.   |

#### **Hazardous Reactions**

None under normal processing.
