

PROTECTIVE INDUSTRIAL PRODUCTS

# INNOVATIVE EYE PROTECTION DESIGNED TO MEET YOUR LAB'S SAFETY VISION

## Contempo™

19148214

Indirect Vent Goggles with Light Blue body, Clear Lens and Anti-Scratch Coating

- Breathable, fog-minimizing protection that is an effective barrier against liquid spray and splash with a non-shedding neoprene strap for highly sensitive environments
- Anti-Scratch hardcoat treatment toughens lens surface for a longer product life with fewer scratches
- Wraparound lens designed for distortion-free panoramic viewing
- Wide facial flange for a secure seal
- Headband strap attaches to frame with a swivel clip to ensure a comfortable fit

**⚠ WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## 552 Softsides™

19069151

Non-Vented Goggle with Clear Blue Body, Clear Lens and Anti-Scratch / Anti-Fog Coating

- Engineered for superior protection against airborne particles, vapors and liquid splash
- Soft vinyl body molds snugly to the face without pressure or irritation
- Extended face flanges close the gaps over the nose and cheekbone areas for advanced seal
- Hydrophobic surface treatment repels moisture and reduces fog from gathering on the lens

**⚠ WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## Zeno Z-Lyte II™

19148032

Rimless Safety Glasses with Clear Temple, Clear Lens and Anti-Scratch / Anti-Fog Coating

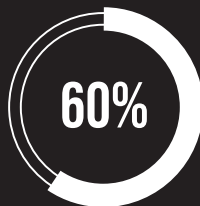

- A new era of lightweight safety eyewear. The Z-Lyte II is the lightest eye protection on the market and provides unparalleled comfort and styling
- Enhanced lens design extends field of vision and protection
- Sleek temples with strategically perforated design ensure a flexible, secure fit to multiple head shapes
- Metal-free, screw-less hinge

**⚠ WARNING:** Reproductive Harm - [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## Evolved eye protection for a new era in safety

PIP® is invested in your innovation.

By challenging conventional thinking within the marketplace, we are able to provide you with the latest technology in safety eye wear, because your vision matters. When operating in a laboratory environment your safety is as essential as your work. It is estimated that of the 20,000 annual eye injuries that occur in the workplace, 60% occurred without proper eye protection.

**OF WORKERS WEARING  
CONVENTIONAL EYEWEAR  
COMPLAIN OF LACK OF COMFORT**

**OF WORKERS DO NOT WEAR  
PROPER EYE PROTECTION  
DUE TO ITS APPEARANCE**

**OF WORKERS BELIEVE  
CURRENT EYEWEAR  
DISTORTS THEIR VISION**

PIP® eyewear is designed to work with you to keep a precise eye on precision tasks, providing you with a clear field of vision and acuity as well as long lasting performance that keeps your vision and your work uninhibited.
